Affidavit of Anna Kashper

1. My name is Anna Kashper. I understand there is some question regarding the GPS data in the case of Kashper v. Toyota.

2. Within a day or so of Konstantin Kashper's death I logged onto the system that Borrego was using and screen shot the data they had on there. Those screen shots I later gave to my attorney and I understand were then provided to Toyota during discovery.

3 I still have in my possession the phone.

Signed under the pains and penalties of perjury this 4th day of February 2019.

A handwritten signature in black ink, appearing to read "Anna Kashper", written over a horizontal line.
